Purpose of the Program

- Prepare students physically, mentally and emotionally for the rigors of work as executives in real organizations upon graduation.
- Develop student's individual maturity, self-awareness, and confidence.
- Familiarize students with some structured practical experience of the organization, its operations, its customers, and its staff.
- Enable students to exercise and acquire effective interpersonal and communication skills in organizations.
- Enable students to put into practice their academic knowledge and skills acquired at MAHSA University to benefit the organizations.

Guidelines on the use of this Logbook

1. This logbook will be a very useful reference for the student in his/her future career. It may serve as a document to highlight industry experience to prospective employers. Also, a faithfully kept logbook will give student pertinent information for his/her performance indicator (PI) report.
2. The purpose of the logbook is for student to document his/her training and the learning experience as a result of performing tasks assigned by the Organization Supervisor. Should student has other issues that require the attention of MAHSA Supervisor urgently, please send him/her an email or contact immediately.
3. This logbook should be completed and submitted at the same time to MAHSA Supervisor and Organization Supervisor at the end of every month. Supervisor's comments, if any, can still be incorporated and forwarded to the Mahsa Supervisor in the subsequent month or at the end or internship period.
4. It is advisable for student to get the Organization Supervisor to comment on him/her logbook contents. This will provide student with feedback on the accuracy of him/her logbook entries and help the organization supervisor plan student's training, if any.
5. Student has to ensure that student and the supervisors must complete all sections in this logbook.
6. A report on the knowledge acquired and learning experience is to be completed, followed by a presentation to MAHSA Supervisor or panels.
7. The internship report must have a minimum of 20 pages (including diagrams/charts/drawings, if any). The report must be submitted at least two (2) weeks before the presentation.
8. The presentation duration is twenty (20) to thirty (30) minutes only of which it has to be brief but concise.
9. Student has to initiate getting the date and time of presentation from the MAHSA Supervisor.

Faculty of Business, Finance & Information Technology

10. It is advisable for student to carry a small notebook to make rough jottings of daily events which can provide the material for logbook entries.
